

Cars & Coffee Car Show September 20th

Special Event on September 20, 2014

7th Annual Cars & Coffee Summer Field Trip for the day.

Come drive the private road, right here in Orange County that inspired the “Mazda Zoom Zoom Road” you have seen on the Mazda TV commercials.

This amazing 6.5 mile, 2400-foot elevation climb, private road leads to a private community that has agreed to host a Cars & Coffee car show on September 20st. The road is paved, smooth and offers amazing mountain and ocean views...**but sorry no timed stages please, going up or down.**

The Community is called Rancho Carrillo and they are hosting us in conjunction with their 35th annual “Hooligan” fund raising event for their Volunteer Fire Department.

There are many family activities surrounding this event, please join them all day.

This is a planned car show with prizes and trophies, last year there were over 250 cars in attendance.

We hope to see you there, please plan on attending.

Because it is the 35th year we will have a show in addition to C&C on September 20th. The Show starts at 10:00

(Map on other side)
